MINUTES OF THE MEETING
AGRICULTURE COMMITTEE
MONTANA STATE
HOUSE OF REPRESENTATIVES

January 14, 1985

The meeting of the Agriculture Committee was called to order by Chairman Schultz on January 14, 1985 at 3:00 p.m. in room 317 of the State Capitol Building.

ROLL CALL: All members were present with the exception of Representative Ellerd who was excused by the Chairman.

CONSIDERATION OF HOUSE BILL NO. 110: Representative Schye, District 18, sponsor of the bill explained the history of the bill and stated that it was probably meant to protect some people in the years back. He spoke of a constituent who came to him and asked him to help repeal the bill. He also stated that this bill does not involve state lease land only private owned land. (Exhibit A attached hereto)

PROPOSERS: Representative Dave Brown, District 72, co-sponsor of the bill said he supported this bill with the same reasons as Representative Schye.

Robert McColly stated that he supported this bill and that he wanted it repealed because he felt that the law shouldn't be able to tell anyone what they can and can't do with their private owned land. (Exhibit B attached hereto)

Stuart Doggett from the Montana Stockgrowers Association and the Montana Association of State Grazing stated he supports this bill.

There being no further proponents or opponents Representative Schye closed.

DISCUSSION OF HOUSE BILL NO. 110: Representative Jenkins asked if this involved leases of agriculture land. John North, attorney for the Department of State Land, stated that no lease of agriculture land can be for more than ten years. Representative Fritz then asked what would happen to the people that already have leases for over ten years. Representative Schye replied by saying that there has been no enforcement so it would have no affect on the leases, but that the leases have to have a beginning and an ending date. It can't be indefinite. Representative Devlin asked if this bill was to be effective as of October 1, 1985. Representative Schye replied that the date was satisfactory to him. Representative Switzer asked if he found in his research other leases on private land. Schye stated this is the only thing on private land he found.

There being no further questions Chairman Schultz closed the

hearing.

DISPOSITION OF HOUSE BILL NO. 110: Representative Devlin moved that HB NO. 110 DO PASS. Representative Fritz seconded the motion and HB NO. 110 PASSED UNANIMOUSLY.

Chairman Schultz then informed the committee about the hearing on January 22, 1985 at 7:00 in the Old Supreme Court with the Judiciary and the Fish and Game Committees. He also informed them of the hearing on HB NO.148 on Wednesday, January 16.

There being no further business before the committee, the meeting was adjourned at 3:55 p.m.

TESTIMONY TO HOUSE AG COMMITTEE ON HOUSE BILL 110

For the record, my name is Stuart Doggett. I am representing the Montana Stockgrowers Association and the Montana Association of State Grazing Districts.

We wish to express our support for House Bill 110 and feel that the existing law which prohibits agricultural leases from exceeding ten years is unfair. It is our feeling that private property owners in the agricultural community should have the right to do with their lands as they wish; this includes the right to lease their private property for periods exceeding ten years.

We feel that the existing ten year leasing provision may hinder long range planning that is necessary for modern day farmers and ranchers who need to line up credit or who wish to lease their property to another family member for a longer period than ten years.

It is our feeling that private property owners in the agricultural community should be given the same rights as those within the city limits who may for any period of time agree to a lease or grant of their land. We hope you will support Bill 110 and repeal the current provision that prohibits agricultural leases for a duration exceeding ten years.

MINUTES OF THE MEETING
AGRICULTURE, LIVESTOCK & IRRIGATION
MONTANA STATE SENATE

January 25, 1985

The Agriculture, Livestock and Irrigation Committee meeting was called to order on the above date, in Room 415 of the State Capitol Building, at 1:00 p.m., by Chairman, Boylan.

ROLL CALL: All members present.

HOUSE BILL 110: Introduced by Representative Ted Schye, House District 18, Glasgow. He was asked by a neighbor why his mother couldn't lease him her farm for more than 10 years. After checking with the Departments of Agriculture and State Lands, nobody knew why the law was there except that it was an old 1895 New York tenant law. Representative Schye felt it may have had a place then but is no longer needed. He had about 500 calls worrying about taking this away from State Lands, but it has nothing to do with state leased lands; it only pertains to leases between private individuals. Exhibit #1 pertains to the 10 year lease.

PROPOSERS: Ralph Peck, Deputy Director, Montana Department of Agriculture, said his department supports the bill. Complete testimony attached as Exhibit #2.

Hearing closed on HB 10.

HOUSE BILL 60: Representative Marian Hanson, House District 100, explained that the bill was requested by the Department of Livestock and gives GVW people, at truck stops, authority to ask for brand inspections or permits for livestock. They have been doing this, but do not have legal authority. This will not allow them to delay or harass anyone without a permit, but will help enforce the law. On page 3 of the bill, it adds an enforcement officer to the list of officers.

Jack Sedgwick, Department of Livestock, supported the bill. Exhibit #3.

Don Copley, Department of Highways and Carol Mosher, representing Montana Stockgrowers and Montana Cowbellies, spoke in support of the bill.

Committee questions: Senator Galt asked Mr. Sedgwick what the inspectors did when they stopped someone. He was told they detain him and notify the Department so they can get a brand inspector out there as soon as possible. They can only hold him for a reasonable length of time, but he wasn't sure how long this was. They take down all the information from his driver's license and truck license numbers so they can do a more thorough check.

Senator Boylan raised a question about hauling a calf in the back of a pickup. Mr. Copley told him trucks under 8,000 pounds are not required to stop at weigh stations.

bill. She also offered the help of any woman in her organization to answer questions.

Blake Wordal, Montana Hardware and Implement Association, supported the bill.

Margaret MacDonald, Northern Plains Resource Council, representing the 1500 farm and ranch homes in the state, went on record saying they felt it to be one of the most significant issues facing the legislature this session.

Committee questions: Senator Galt asked who makes these appointments. Senator Neuman replied he thought that, in the Senate, it would be the Committee on Committees and in the House it would be the minority and majority party leads. Senator Galt asked if this shouldn't be included in the resoultuion. Senator Neuman thought this was the usual way of doing appointments. Senator Galt asked who staffs it. Senator Neuman thought Legislative Council, but thought there was plenty information available and didn't think they needed a lot of staff and research. He saw the committee as a committee pulling information they already have together. Senator Galt suggested sending the resolution to the agricultural committees in the respective houses in Washington, as well, as he didn't feel the Senate and House, as a whole, were that involved in agriculture. Senator Neuman agreed that was a good idea.

Senator Kolstad agreed with Senator Galt's suggestion on spelling out who makes the selections for the committee. He felt a certain amount of the members should be agricultural people. Senator Neuman was hopeful the leadership would do that and he would make the request known to them.

Senator Hammond asked if he didn't feel it should be agra/business related. Senator Neuman said they would have to leave some direction up to the leadership who will make these decisions.

After considerable discussion relating to the selection of the committee members, the hearing was closed.

DISPOSITION OF HOUSE BILL 60: Senator Conover moved HB 60 BE CONCURRED IN. Motion carried. Senator Yellowtail will carry the bill on the Senate floor.

DISPOSITION OF HB 61: Senator Bengtson moved HB 61 BE CONCURRED IN. Motion carried. Senator Yellowtail will carry the bill on the Senate floor.

DISPOSITION OF HB 110: Senator Kolstad moved HB 110 BE CONCURRED IN. Motion carried. Senator Kolstad will carry the bill on the Senate floor.

SJR 10: Senator Galt suggested giving SJR 10 to John

AGRICULTURE COMMITTEE

Chairman Boylan, members of the committee, thank you for the opportunity to testify on House Bill 110.

Representative Ted Schye contacted us last summer in relation to the ten year lease limitation. We did some research and found it is a carryover from early New York law that was adopted into Montana Statute.

The court system provides sufficient protection against abuse as well as providing a means for restitution. Therefore we support House Bill 110 and believe conditions and terms should be determined by the parties involved.
